You have found a new type of animal in the jungle.

1. Using the following letters, come up with your own name for this animal.
   
   t c a f r s p e

2. You may use the letters as many times as you need.

3. You don’t need to use all of them in the name.

4. Create a picture of this animal. You may use a computer, camera, paper or whatever else you like.

   Don’t forget to label your animal!
