

YEAR 2 OPT IN

E1	E2	E3
M1	M2	M3
S1	S2	S3

M1

What could you buy?

You have been given \$20 to spend. Using a catalogue from Big W or Kmart, write a list of toys you would buy.

You may spend up to \$20, but not over that amount. Don't forget to work out your change. How many toys can you buy for \$20?

Bring it in on Friday to see what toys your friends have chosen to buy!
