Great Shot!

Create your own ‘dart board’ with these numbers on the targets:

. 7
. 5
. 3
. 1

List 10 possible combinations you could get with 4 darts.

Don’t forget to bring your list and dartboard to school to share your combinations with us!

Maybe you might like to create a second dart board that has colours (5) and numbers (5). Show 15 possible combinations on this dart board using 4 darts!
