

IMPORTANT CANTEEN CHANGES

ONLINE ORDERING will commence Thursday 17 Oct 13

All lunch orders are to be placed via this system

****Please note: order cut off time is 8.45am****

Our school canteen has teamed up with Munch Monitor to offer the following services:

Easy online ordering - place orders online up to 4 weeks in advance (no more writing out brown paper bags and reduced volunteers needed as tallying is automatic)

Reduced cash handling - eliminate lost, forgotten or stolen money by having an online account with the option of a linked card

Daily spend control - set daily spend limits and specify which days an account may be used (see the "snack money" option)

Dietry control - specify allergies, ban specific foods and obtain online reports on eating and spending habits

Stock management - offering a reduction in man hours for balancing stores

It only takes a few minutes to setup your account! Go to:

www.munchmonitor.com.au

Username: springfieldcss

Password: munch4300

then click "login"

Cash account top ups and card collection is to be done outside of service times on Fridays.
