

STUDENT DRESS CODE

SCSS is a 'Full Uniform School'
Our policies combine to define The SC Way

STATEMENT OF INTENT

Our school uniform is regarded by the school community as being important in its role in encouraging a sense of self-esteem, belonging and self-discipline in our students. Our school uniform is designed to give students a sense of purpose and lends itself to the process of education. The uniform also ensures that outsiders who intrude into our school grounds are readily identifiable. Our uniform, in consultation with students, staff and parents has been designed with elements of identity, safety, comfort, climate, modesty, cost, efficiency, social equity and activity taken into account.

Our Dress Code reflects school community standards and are consistent with occupational health and safety, anti-discrimination legislation and the Sun Safety Strategy. There may be occasions where the Dress Code is relaxed such as Free Dress Days, Discos or sports days. On such occasions, students are required to wear acceptable and reasonable clothing. The school will always inform parents of these occasions and they will be identified on our web-site calendar of events.

The SCSS Dress Code consists of an *agreed standard* of *specified items of clothing* and also covers *other aspects of personal presentation* of students for when:

- attending or representing their school:
- travelling to and from school: and
- engaging in school activities out of school hours

SPECIAL CIRCUMSTANCES
