

This song has been adapted from the Black Eyed Peas "I Gotta Feeling"  
Lyrics written by SCSS student and staff 2011

*I gotta feeling, that today's gonna be a great day.  
That today's gonna be a great day.  
That today's gonna be a great, great day.*

*A feeling, that today's gonna be a great day.  
That today's gonna be a great day.  
That today's gonna be a great, great day.*

*A feeling, woohoo, that today's gonna be a great day.  
That today's gonna be a great day.  
That today's gonna be a great, great day.*

*A feeling, woohoo, that today's gonna be a great day.  
That today's gonna be a great day.  
That today's gonna be a great, great day.*

*Today's the day, we will step up.  
We'll do our best and won't give up.  
Go out and smash it - we will go far  
We're little legends - we'll raise the bar*

*I know that we're a great school,*

We all love the uniform, it's really cool.

I feel that we can all get along, follow all our keys as we all sing along.

Fill up our minds, go digital

Skill up for thinking, our brains won't stop.

We are self-managed, we have respect.

We'll raise the bar and then we'll do it again,

Let's do it, let's do it, let's do it, let's do it

And do it and do it, let's raise the bar

And do it and do it and do it, do it, do it.

Let's do it, let's do it, let's do it, do it

Cause I gotta feeling, woohoo, that today's gonna be a great day.

That today's gonna be a great day.

That today's gonna be a great, great day.

A feeling, woohoo, that today's gonna be a great day.

That today's gonna be a great day.

That today's gonna be a great, great day.

Today's the day. (Hey)

The SC Way. (The SC Way)

Our Code of Conduct - conduct

And court-es-y (courtesy)

Go out and smash it. (Smash It)

We will go far (will go far)

We're little legends (legends)

We'll raise the bar.

Fill up our minds. (Minds)

Right to the top. (Top)

Skill up for thinking. (Thinking, Thinking)

Our brains won't stop.

We are self-managed. (Self-Managed)

We have respect (We have respect)

We'll raise the bar.

And then we'll do it again.

Let's do it, let's do it, let's do it, let's do it

And do it and do it, let's raise the bar.

And do it and do it and do it, do it, do it.

Let's do it, let's do it, let's do it, do it

Here we come, here we go, we gotta rock, rock, rock, rock

Here we come, here we go, we're on the top, top, top, top

Complete the keys, you and me, persistence don't stop, stop, stop,

stop

Round and round, up and down, around the clock

Monday, Tuesday, Wednesday and Thursday, Friday, Saturday,

Saturday to Sunday

We keep, keep, keep, keep, going up, we know what we say, say  
learning everyday,

l-l-l-learning everyday.

Got a feeling ( woo hoo )

That today's gonna be a great day.

That today's gonna be a great day

That today's gonna be a great, great day.

Got a feeling ( woo hoo )

That today's gonna be a great day.

That today's gonna be a great day.

That today's gonna be a great, great day.

(Wooooo Hooooo)
